

NANTUCKET COLLECTION™

Nantucket Island is a place of great beauty that withstands the harsh coastal weather of the North Atlantic. That same resilient charm is expressed in the Nantucket Collection™ by Simpson. Featuring a 10-year warranty, these doors combine weather-resistant wood species with a modified mortise-and-tenon construction technique. The result is a door that will retain its rugged beauty, regardless of what nature sends its way.

BEAUTY AND DURABILITY

Nicknamed “The Gray Lady” due to its regular foggy conditions, Nantucket is known for being historic, hardy and starkly beautiful. Windblown beaches and weather-beaten shingles are a way of life on this blustery island. This same spirit is reflected in our Nantucket Collection™...doors built to stand up to the elements while standing out, thanks to their classic design and unsurpassed craftsmanship.
