

# FACTORY FINISH FOR INTERIOR BARN DOORS

Give your interior barn doors that finishing touch by adding a pop of color. It's the timeless look of a barn door, but with a contemporary, colorful twist.

Choose from 6 standard paint colors or select a custom color by providing a Sherwin Williams color number. Or create the "off an old barn" look by selecting one of the weathered options.

**49812**  
Shown in dress blues

**49812**  
Shown in black

**49812**  
Shown in gray

**49812**  
Shown in white

**49812**  
Shown in blue chip

**49812**  
Shown in red

**49812**
