

NANTUCKET COLLECTION®

simpsondoor.com/nantucket

77860

Shown in Douglas fir with 77260 sidelights with flat panels and optional shaker sticking

Nantucket Island is a place of great beauty that withstands the harsh coastal weather of the North Atlantic. That same resilient charm is expressed in the Nantucket Collection® by Simpson. Featuring a 10-year warranty, these doors combine weather-resistant wood species with a modified mortise-and-tenon construction technique. The result is a door that will retain its rugged beauty, regardless of what nature sends its way.

NANTUCKET COLLECTION DOORS ARE AVAILABLE:

- In any height and width
- In Western Hemlock, Douglas Fir, Nootka Cypress, Sapele Mahogany and Accoya (primed-can be painted any color)
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose from virtually any glass texture
- With your choice of face-pin joinery (standard) or no-pin joinery (option)
- 10-year warranty with no building overhang required

FOR MORE OPTIONS:

To access a complete offering of available sticking and panel types, as well as other custom alterations, visit Simpson EZQ at <https://ezq.simpsondoor.com/>

Doors Specs if You Want to Paint an Exterior Door a Dark Color

For the best product performance and for your door's warranty to stay intact while painting the door a dark color, order your Simpson door with the following specs:

- Select a design from the Nantucket Collection® (77000 series).
- Select Accoya as the wood type and Simpson will automatically prime the door at the factory. Also, your door will be made with mortise-and-tenon joinery with no face pin.
- Your door will carry a 10-year warranty with no overhang required.
- As with all Simpson doors, products must be finished on all six sides for warranty to apply.

Please note: stainless steel or non-ferrous hinges must be used with Accoya doors. If wood becomes exposed during machining of the door, make sure to re-prime all wood surfaces.

Art is the concrete representation of our imagination. It's about bringing dreams to life. This is the inspiration behind our one-of-a-kind doors. The Simpson Artist Collection® is an anthology of unique, limited edition door designs by select artists. Simpson partners with the artist to bring "commissioned art to the masses." Our Artist Collection doors are for America's most discriminating homeowners.

ARTIST COLLECTION DOORS ARE AVAILABLE:

- In any height, width and wood species
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose virtually any glass texture

CRAFTSMAN COLLECTION

simpsondoor.com/craftsman

SOLANO® III

6881 door, 6171 sidelight, 9541 dentil shelf, shown in Douglas fir

Fine craftsmanship has been a cornerstone of American architecture for generations. This foundation of quality and attention to detail made this country great. Simpson's commitment to building the best doors is as strong today as it was when we began over 100 years ago. Our Craftsman Collection allows you to capture the essence of this fine tradition, while making a statement that distinctly reflects your lifestyle. The difference is in the details. All Craftsman doors come standard with UltraBlock® technology and a 5-year warranty.

CRAFTSMAN COLLECTION DOORS ARE AVAILABLE:

- In any height, width and wood species
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose virtually any glass texture
- UltraBlock technology included
- All doors available with WaterBarrier® technology upgrade.

BUNGALOW SERIES®

simpsondoor.com/bungalow

7218
with 9541 dentil shelf (8'0")

If you are looking to add charm and character to your home, choose the classic look of this collection. A fine, handcrafted product never goes out of style. And it almost always retains its value. This certainly holds true for our collection of Bungalow Series® doors. Offered with traditional beaded v-groove panels and divided lite construction, these doors are perfect for establishing that feeling of traditional comfort. All Bungalow Series doors come standard with UltraBlock® technology and a 5-year warranty.

BUNGALOW SERIES DOORS ARE AVAILABLE:

- In any height, width and wood species
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose virtually any glass texture
- UltraBlock technology included
- All doors available with WaterBarrier® technology upgrade.

TRADITIONAL EXTERIOR DOORS

simpsondoor.com/traditional

© Amy Bartlam

7130
with UltraBlock® technology

There's a certain comfort in tradition. The passing down of skills and beliefs from generation to generation means you know exactly what to expect. Our traditional doors are made to be part of life's journey, no matter where it takes you. For over 100 years, Simpson has been engineering wood doors using the latest technologies. It's what we know. It's who we are. It's why you can expect the very best from every Simpson Traditional exterior door.

TRADITIONAL EXTERIOR DOORS ARE AVAILABLE:

- In any height, width and wood species
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose virtually any glass texture
- All doors available with UltraBlock® technology or WaterBarrier® technology upgrades.

FOR MORE OPTIONS:

To access a complete offering of available sticking and panel types, as well as other custom alterations, visit Simpson EZQ at <https://ezq.simpsondoor.com/>

Doors with 3/4" IG and choice of 1-7/16" Innerbond® double hip-raised panel or 3/4" flat panel.

EXTERIOR FRENCH & SASH DOORS

simpsondoor.com/exteriorfrenchandsash

37015

with custom transom and WaterBarrier® and UltraBlock® technologies

The right doors can really make the view, French and Sash doors have been favorites of homeowners because they naturally connect living spaces with outdoor settings by allowing light to pass through. Our Exterior French and Sash doors are made with your choice of Simulated Divided Lite (SDL) or True Divided Lite (TDL) construction, and can be specified with WaterBarrier® and UltraBlock® technology upgrades. So you'll maximize your view of the outdoors, while keeping the elements of nature at bay.

EXTERIOR FRENCH & SASH DOORS ARE AVAILABLE:

- In any height, width and wood species
- 1-3/4" or 2-1/4" thick
- For doors with glass, choose virtually any glass texture
- Doors available with UltraBlock® technology or WaterBarrier® technology upgrades.

FOR MORE OPTIONS:
